A Message from the Board of Directors

Members, partners, donors, volunteers and staff contributed time and resources to another successful year of promoting mental wellness, identifying needs and healing those who faced loneliness and isolation.

FCNC met the growing need to improve mental well-being and quality of life for more than 5,000 families, children and seniors. The “Wings Center” was home to 300 workshops and support groups, 400 wellness programs, social support activities, movies, educational programs and 6 children’s grief support camps.

Participants learned skills to overcome loneliness, shared their stories, strengthened their ability to cope, resocialized and made new friends. Many devoted time and energy to help others through volunteering. All services were offered at no cost and funded by Grants, donations, fundraising and Thrift Shoppe operations.

Generous Volunteers donated 18,000 hours of service at an estimated value of \$529,498 (*Independent Sector 2022*) as group facilitators, couriers, camp coordinators, office support, Board of Directors, Advisory Board, and Thrift Shoppe operations.

Thrift & Gift Shoppe locations in Lecanto and Homosassa provided a safe place to bargain shop and to interact with others. 50,000 Thrift Shoppe sales supported the mission. The Distribution Team picked up 700 large donations from generous donors. Thrift Shoppe customers donated 4,165 pounds of nonperishable food to Citrus United Basket (CUB).

Thank you for your support. We look forward to another successful year!
