

Services

Friends of Citrus and the Nature Coast is a charitable organization providing community grief support workshops for anyone who has experienced a loss; telephone support; grief support resources for all ages; educational materials for parents and teachers; and children's grief support camps. Social support for widows and widowers is provided through the L.I.F.T. Program (Living Information For Today), sponsored by Dignity Memorial in Citrus County.

Herry's Kids Children's Services programs include Camp Good Hope and Teen Encounter grief support camps, which provide an honest, safe environment where kids can learn to talk openly about their loss and improve their ability to cope.

Memorial opportunities include the annual Tree of Remembrance, Renewal Memorial Services, memorial stones, Veteran's recognition and Tree of Loving Memories leaves.

All of the programs and services offered by Friends of Citrus and the Nature Coast are totally dependent on donations and fundraising.

For information about services or to donate, call 352.249.1470 or 386.454.0844; or visit www.friendsofcitrus.org or Friends of Citrus on Facebook.
